The Principal Chief Commissioner/Chief Commissioner of Customs The Principal Commissioners /Commissioner of Customs

Madam/Sir,

Subject: Procedure for a Pilot on Transhipment of Export Cargo from Bangladesh to third countries through Land Customs Stations (LCSs) to Kolkata Port / Airport, in containers or closed bodied trucks – Reg.

References have been received from trade and industry for permitting transit of export cargo from Petrapole to Kolkata Port and Nhavasheva Ports / Kolkata Airport for better cargo evacuation and to improve logistics efficiency of the region.

- 2. The matter has been examined. Section 54 of the Customs Act, 1962 allows for transhipment of goods through India, for which the Board is empowered to prescribe a form "Bill of Transshipment" and a procedure. Before prescribing the procedure by way of a Regulation, it has been decided that a Pilot Program will be initiated for a period of six months, to gain experience and obtain feedback from industry, so as to build a Regulation which is facilitative as well as include safeguards against any cargo diversion.
- 3. The facility shall be available from the following LCSs and ports/Air Cargo complexes w.e.f. 5th November 2018:

Sl. No.	Name of LCSs	Name of port/ air cargo		
1	LCS Petrapole	i. Kolkata Portii. Air Cargo complex, Kolkata		
2	(i) LCS Petrapole(ii) LCS Gede/Ranaghat	By rail to Nhavasheva port		

- 4. The following procedure is being prescribed for allowing the transhipment:
- (i) A Bill of Transshipment (Annexure-A) in respect of goods (being transported by road in a close bodied truck or as containerized cargo) brought to the LCS intended to be transshipped to Port/ Air cargo for export to third countries, shall be filed at the LCS by the Shipping Line or

Airline or their authorised representative;

- (ii) the Bill of Transshipment in respect of goods (being transported by rail in a closed wagon or as containerized cargo) brought to the LCS and intended to be transshipped to the Port/ air cargo for export to third countries, shall be filed by the Shipping Line or Airline or their authorised representative at the LCS;
- (iii) the shipping line or airline intending to carry the cargo to be transshipped will be at liberty to authorize a Customs Broker for filing the Bill of Transshipment;
- (iv) The Import Report filed by the transporter (for goods moving by road or rail) shall specify the Port/ air cargo through which the cargo is meant to be transshipped and state the destination port or airport of discharge. No cargo meant for discharge in India is permitted to be brought in the same truck/container/wagon, carrying the transhipment cargo;
- (v) the Bill of Transshipment shall be presented in triplicate to the proper officer (Superintendent of Customs) for permission;
- (vi) While presenting the Bill of Transshipment, the authorised representative of the shipping line or Airline shall produce an Electronic Cargo Tracking System (ECTS) seal for sealing the closed body truck or container, as the case may be. The seal number shall be declared on the Bill of Transshipment;
- (vii) The ECTS seal shall be procured by the shipping line or airline or the authorised customs broker at their own cost. Presently, the ECTS services are being offered by M/s Transecur Telematics Private Limited (wwww.transecur.com) under ADB's Pilot Program for monitoring of traffic in transit of Nepal;
- (viii) The Bill of Transshipment shall be accompanied by a Bond (**Annexure-B**) for an amount equivalent to twice the value of the goods, which may be specific to the consignment or a general bond; there shall be no need for the proper officer to obtain any security or surety;
- (ix) Upon the proper officer (Superintendent) permitting transshipment, the goods may be unloaded from the Bangladeshi vehicle and loaded on to an Indian Truck under customs supervision. However, if the cargo is brought to the LCS by an Indian truck, then the same vehicle may be allowed to carry the cargo to the port or airport. In case of movement by rail, the same shall be undertaken by CONCOR;
- (x) The original of the Bill of Transshipment shall be retained by the LCS while the duplicate copy (transference copy) shall be carried with the cargo by the driver in a sealed envelope to the Kolkata Port / Airport. The triplicate copy shall be retained by the authorised representative of the shipping line or airline.
- (xi) Upon reaching the Port of Loading (Airport / Port), the transference copy of Bill of Transshipment shall be submitted by the person-in-charge of the conveyance to the proper officer of Customs; the proper officer shall check the ECTS web application for seal integrity and if there is no alert regarding unauthorized unsealing, the ECTS seal shall be removed and

returned to the person-in-charge of the conveyance.

- (xii) The Proper Officer shall permit the goods to be loaded on board the aircraft or vessel, as the case may be, by recording his order on the Bill of Transshipment;
- (xiii) The details of the Sea or Air manifest (export manifest) shall be recorded on the Bill of Transshipment as well as uploaded on the ECTS web application upon which a "Trip Report" will be generated at the Port or Airport and LCS for record. The Transshipment Bond can then be duly credited or cancelled, as the case may be. There will be no need for a physical copy of the Bill of Transshipment to be sent to the LCS.
- (xiv) In case the trip report indicates any unauthorized un-sealing, the matter shall be brought to the notice of the Deputy/Assistant Commissioner/Superintendent of Customs for action as appropriate.
- 5. Difficulties, if any, faced in the implementation of this circular should be brought to the notice of the Board.
- 6. Hindi version follows.
